Where should we plan for new housing in Port Phillip?

FB Fishermans Bend

State-designated renewal area planned for substantial residential and commercial growth, will require ongoing significant infrastructure investment.

DS The Domain & St Kilda Road

Major mixed-use corridors with larger offices and apartment developments close to jobs, trams and the new ANZAC station but will need more community facilities and services to support the growing population.

AC Activity Centres

The heart of our neighbourhoods, will combine vibrant shopping, dining and social spaces with mid-rise housing that transitions sensitively to surrounding residential areas.

ER Established residential and other areas suitable for growth

Places will retain a mix of heritage and modern family homes, from detached houses, townhouses to smaller apartments on leafy inviting streets.

Help us plan our housing future

As we look to the future and consider recent changes to federal and state planning and housing policies, we are taking an opportunity to review our housing objectives check in with our community.
