LEGEND

Elwood Canal to Angling Club
—●— Rail line & station
┈○┈ Tram line & stops

EXISTING CONDITIONS

Public Spaces

- Foreshore
- Parks within foreshore area
- Parks
- Contributory public space
- Gaps in access to public space
- → Key walking route

Contextual Places

- Activity centre
- Schools & community facilities
- Other places

COMMITTED PROJECT*

1. Elsternwick Park North – stormwater harvesting, increased biodiversity and flood retardation, improved public spaces
2. Community access to Ripponlea Estate gardens (potential trial pending agreement)
3. Elwood foreshore - adult fitness station
4. Point Ormond - play space upgrade
5. Elwood Canal to Elwood foreshore - improve lighting and landscaping along bike path/foreshore reserve

EXISTING IDEA - COUNCIL STRATEGY

6. Elwood Canal & Linear Reserve – naturalise canal and enhance corridor as walking link, wildlife link and nature based play-space

NEW IDEAS

7. Burnett Gray Gardens – develop and activate space as a 'community heart' integrated with Ripponlea Station and the Ripponlea activity centre
8. Elwood and Point Ormond Foreshore - review use of buildings, car parks and foreshore spaces. Consider opportunities for informal recreation, multi-purpose buildings, and waterplay feature
9. E C Mitty Reserve - potential conversion of road space to extend park/connect to L Dawkins Reserve
10. Robinson Gardens - consider future use of this underutilised space
11. Current 'gap' in public space network – consider ways to improve access e.g. convert road-space
12. Investigate opportunity for additional junior sports grounds, adaptable for informal recreation uses
13. Ormond Esplanade/Marine Parade - potential for median planting/greening
- Investigate community interest for a fenced dog off-leash park
- ✳ Integrated use - public space co-located with community facilities
- ◌┈◌ Enhancement of walking route/green link
- Shopping street enhanced activation/pedestrian

*Note: Selection only of committed projects (i.e. play space/pavilion/landscape/park upgrades).
